administration

andrew p. haywood, principal

"the spirit of '69" is dedicated to andrew p. "sam" haywood in honor of the first graduating class to complete three years at independence senior high school.

as head of the administrative department, mr. haywood has contributed much to independence in the three years of its' existence. maintaining a close student-teacher-adminstration relationship has been one of mr. haywood's major goals. dedicating this book to "sam" haywood is but a small gesture recognizing a man who will long be remembered by the students of independence senior high school.
